Fast. Nimble. Tough.

Whether hunting the timber, marsh or local reservoir; this new Excel boat is an all-around duck hunting warrior. The 16' length and wide 80" beam provides plenty of elbow room for decoys and dogs. A large front deck storage compartment packs tons of gear and keeps it dry with a watertight storage lid. Standard gun box with watertight lid. Rear corner steps provide easy access into the boat. Rated for a 60HP outboard; this boat will get you there fast. A newly designed reverse chine is nimble and turns precise in tight timber. Standard two-tone Gore® OPTIFADE camo.
