Floor Layout

Multiple seating configurations available. Shown: Two swivel suspension seats at helm plus two bench/storage.

SMOOTH RIDE | HIGH SPEEDS

The Stormcat's advanced hull allows you to cut through the water at speeds up to 55mph while maintaining the comfort you would expect from a world class fishing boat.

SPACE FOR YOU AND YOUR GEAR

Engineered for maximum functionality, the Stormcat's livewell, rod lockers and massive storage capabilities make this a fishing platform to rival anyone on the water.

THE STORM IS BACK
